

Weekly Newsletter

Week Beginning: 9th March 2026

This week at School

This week Neli brought us a brand new story called Cinderella! We have been trying on different size shoes to see if they fit, making invitations and magic wands just like the fairy godmother and cleaning our resources just like Cinderella cleaned her home. One of our special words was 'beautiful', the children looked around the garden to see what they could see that they thought was beautiful. We also created some beautiful artwork for Mothers Day. We hope you all have a special day!

Special Words

beautiful fit clean invite

Upcoming Events

19th March - African Drumming session in school!

20th March - Wear odd socks for World Downsyndrome Day

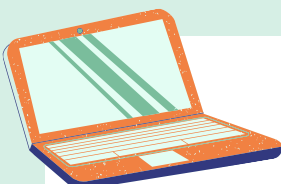

27th March - School closes at 11:30am for half term

13th April - School reopens

Ideas for Home

We are so excited for our African Drumming session next Thursday! The children will use the drums to keep to a beat. In school, we often do this through body percussion. This is when you use your body to create music or sounds. Can you try this at home? Sing a song or nursery rhyme and see if your child can copy your beat by patting their knees or clapping to a rhythm. Let us know how they do through Family!
