This Week at School

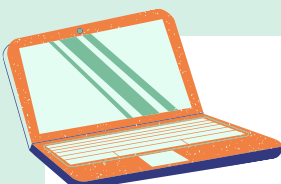

We have been busy this week working hard on lots of different Christmas activities including Christmas crafts like making special cards for our grown ups and paper chains in preparation for party day.

We supported Kinship Carers PJ Appeal by wearing our pyjamas to school and donating a pair. This led to lots of conversation and in the moment teaching about textures and patterns. We continued to look at the story Stick Man and think about our special words frost and chimney.

Thank you!

A huge thank you to our generous parents and staff. Thanks to you we have supported Kinship Carers in their PJ Appeal by donating 175 pairs of pyjamas across both sites! Your support will make a huge difference to lots of children and families.

Ideas for Home

Can you go on a pattern hunt? Can your child recognise patterns at home, on their pyjamas or in the community? Can they create a repeating pattern with things they might have at home like baubles, cars or crayons?
