Week Beginning: 1st December 2025

This week at School

Christmas has arrived at Ellergreen! We found out that Neli had been on a special adventure to the North Pole to see Father Christmas. She brought us back some special books that we shared during Christmas Story Time with our grown ups. She also brought us a Julia Donaldson book called Stick Man. We got busy making our own Stick Men in the garden. We've also explored new areas and resources in our classroom and have been writing Christmas cards and wrapping presents just like Father Christmas' elves!
