Week Beginning: 17th November 2025

## This week at School

It has been such a busy week! We have focussed on Road Safety and Sugar Awareness, completing activities and having discussions about crossing the road safely as well as “sometimes foods” and “always foods”.

Neli brought us a new story called Bringing Down The Moon. The children came up with lots of clever and funny ideas to help the mole reach the moon i.e building a rocket, getting a ladder and climbing the world’s tallest tree!

## Ideas for Home

Practise crossing the road safely with your child, looking both ways and listening out for cars. Can your child spot any road signs? Do they know what they mean?
