

Weekly Newsletter

Week Commencing: 22nd September 2025

This week at School

This week at Nursery we have been discussing the change in seasons and talking about what signs of autumn we can see. We have been exploring autumn colours, red, yellow, orange and brown within different areas of our environment and have been learning some songs about autumn.

In our outdoor area we have had lots of fun using autumn treasures in different ways including conker rolling down the different length drain pipes we have.
